# UI technology presentation - due week 5

- React JS
- Angular 2 JS
- Backbone JS
- JQuery
- Node JS

Please post a comment below, about the framework you would like to present on.

Remember all 4 frameworks have to be selected before, duplicates are allowed.

Presentation will be on Monday September 18.
Each student will be given 25 min for their presentation and demo.

Grant deFord, Student
I would love to do JQuery.
